Some years ago we were very much subject to severe spells of cholera morbus; and now when we feel any of the symptoms that usually precede that ailment, such as diarrhoea, sickness at stomach, etc., we become scared. We have found Chamberlain's Remedy the very thing to straighten us out in such cases, and always keep it about. It is somewhat similar to the usual cholera cures, but seems to contain ingredients that render it more pleasant to take and that do their work more quickly. Sheriff Devereux tells us that he is subject to cholera morbus, and recently felt a spell coming on, when he obtained a bottle of Chamberlain's Colic, Cholera, and Diarrhea Remedy, and two doses made him all right. We are not writing this for a testimonial but to let our readers know what is a good thing to keep handy in the house.—Troy, (Kan.) Chief. For sale by H. J. PETT.

An order was made that no one but delegates attending the convention at Phenix be allowed to vote a proxy of an absent member in that convention.

Congressional Delegate.

Up to the present time everything points to the nomination for Congress by their respective party conventions of Mark Smith and G. W. Cheyney, both of Tombstone. The southern part of the Territory has shown a decided preference for Mr. Cheyney as far as the primaries have been held. The contest will be a close one. It is understood that Col. Herring has pledged his support of Mr. Cheyney, to the extent of stamping the Territory with him and for him.

George Rayfield, C. H. Light, Sylvester Bonn, Thos. Driscoll, O. Haskins, M. C. Shortridge, J. J. Hill, F. K. Miller, H. W. Drew, J. J. Sullivan, J. C. Handy, H. B. Tenny, R. D. Ferguson, John Zellweger, A. J. Davidson, Wm. Reid, J. W. Bement, Wm. Neal.
